Re: May 2026 Gaming Fund Financial Statement Presentation

Following are highlights from the Gaming Fund financial statements ending May 31, 2026.

Statement of Revenues, Expenditures, and Changes in Fund Balance

Gaming tax revenues have increased by $8,427,611 or 5.3% over May of last year. Total Revenues for the Limited Gaming Fund as of May 31, 2026 were $168,584,428, a 3.7% increase over May 2025.

Total expenditures for the period ending May 31, 2026 were approximately $19.5 million. This represents a 10.3% increase over this time last year.

The largest increase is in the Salaries and Benefits, which increased by $1,332,499 or 14.1% over last year. This is due to a 5.7% increase in the average cost of health, dental and life expenditures this fiscal year, 11 more employees in May of this year compared to last year, and the PERA Direct Distribution expenditure increase of $10,353 over last year. Capital outlay expenditures increased $455,140 or 100% over last year. That is due to the move of Gaming's Central City/Black Hawk office and a new camera system installed in Cripple Creek.

The excess of total revenues over expenditures for May was $149,098,195. This is a 2.9% increase over last year and represents the amount we could distribute as of May 31, 2026.

Statement of Budget to Actual

Total revenues collected through May 31, 2026 were 93.8% of budgeted. Total expenditures were 80.9% of budgeted, which is below the 91.7% of the fiscal year that has elapsed. In addition, the excess of revenues over expenditures for May was 95.7% of budgeted.

WHEREAS, section 4 of SB 26-131 in part prohibits internet sports betting operators from accepting deposits using a credit card, either directly or indirectly, including through an account funded by a credit card, in connection with the acceptance of a sports bet;

WHEREAS, a temporary or emergency rule may be adopted under section 24-4-103(6)(a), C.R.S., if an agency finds that immediate adoption of a rule is imperatively necessary and that compliance with the requirements of section 24-4-103, C.R.S., would be contrary to the public interest;

WHEREAS, the immediate adoption of the emergency amendments to Rules 7.6 *Sport betting system requirements*, 7.7 *Sports betting kiosks*, and 7.11 *Sports betting accounts*, 1 C.C.R. 207-2, which amend the rules that currently explicitly permit credit cards to prohibit deposits using a credit card, either directly or indirectly, in connection with the acceptance of a sports bet, are imperatively necessary to comply with newly enacted law so the rules conform to the provisions of SB 26-131, and compliance with the procedural requirements of section 24-4-103, C.R.S., would be contrary to public interest because the new law will be effective August 12, 2026;

WHEREAS, the proposed emergency rule amendment is necessary for the Division of Gaming to carry out the purposes of SB 26-131 and the modifications therein by the effective date, and immediate adoption of the emergency amendments to Rules 7.6, 7.7, and 7.11 will remove unlawful rules and allow

licensees to understand and comply with the statutory changes to section 44-30-1511, C.R.S.; and,

WHEREAS, a permanent change could be achieved no sooner than September 2026, given the process for notice and promulgation of the rules pursuant to the provisions of section 24-4-103, C.R.S., after Governor Jared S. Polis signed SB 26-131 on June 2, 2026.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Colorado Limited Gaming Control Commission, based on the facts recited above, as follows:

The immediate adoption of the emergency rule amendments for Division of Gaming, Sports Betting Rules 7.6, 7.7, and 7.11, 1 C.C.R. 207-2, effective immediately, is imperatively necessary to implement the changes in SB 26-131 by removing conflicting and unlawful rules, and the delay resulting from strict compliance with the requirements of section 24-4-103, C.R.S., would be contrary to the public interest.

These emergency rule amendments for Division of Gaming, Sports Betting Rules 7.6, 7.7, and 7.11 will remain in effect up to one hundred and twenty days from the date of the adoption of these emergency rules, per section 24-4-103(6)(a), C.R.S., unless superseded and repealed through permanent rulemaking prior to the expiration of that period of time.

RESOLVED AND ENTERED this ____ day of July, 2026.
